

RIVERMEAD GOLF CLUB

Junior Program and Camps 2019

About the Rivermead Junior Program

The Rivermead Junior Program includes:

- 13 weekly one-hour group lessons for five different age categories (Bilingual instruction is available).
- Each participant receives a verbal video analysis of their swing in the spring and fall which will be sent via e-mail.
- Instruction will cover all aspects of the game of golf.
- We will hold five (5) junior tournaments as part of the “Kuster Kup” for ages 7 to 18. Points will be awarded similar to the PGA Tour FedEx Cup. Results will be posted after every event on the Junior Board outside the Pro Shop. Juniors must play in three of the five events to qualify for prizes and the take-home winner’s trophy in each age division. The individual trophies and awards in each division will be presented after the fifth round of the Kuster Kup.
- Juniors may participate in the Kuster Kup but choose not to be part of the competition. Only the top 4 leaders in each age category will appear in the Kuster Kup standings on the Junior Board outside the pro shop after each event.
- The 2-day Junior Club Championship will be Rounds 3 and 4 of the Kuster Kup. The Awards presentation for the Club Championship and Kuster Kup will take place after the final round.
- There will be two gross score qualifying rounds for the Rivermead Roadrunners Junior Intersectional Team, which will also be Rounds #1 and #2 of the Kuster Kup. The Intersectional competition will be held in July.
- There will be two Parent/Mentor/Junior Scrambles. One in the spring and one in the fall. All non-member parents/grandparents or mentors are welcome to play 9/18 holes with their child or junior for only \$20 with all proceeds going to the Rivermead Junior Development Program.
- The Rivermead annual Drive, Chip and Putt Contest for ages 7 to 18 is a very popular event. This contest is lots of fun and excellent preparation for any junior who may wish to become more competitive in this event with the chance to compete at Augusta National during Masters week.
- Throughout the season the Junior Clinics will include discussions on the Rules of Golf as well as physical fitness training and instruction on the mental approach to golf.
- Rivermead Junior golf shirts may be purchased at a special rate from the Pro Shop and worn at all junior tournaments at Rivermead. It is not mandatory to purchase or wear the shirt, except for each member of the 2019 Junior Intersectional Team. Each member on the Junior Intersectional Team must have an established handicap. More information will be provided at the Junior Orientation meetings.

The Junior Program is conducted by our Head Golf Instructor, Ralph Kuster who has instructed 22 junior boys and girls who have gone on to receive golf scholarships in the United States.
